Subject: CTO-094; NSA Memphis RCRA Facility Investigation, Millington, Tennessee
Document Transmittal — *Voluntary Corrective Action Work Plan — SWMU 3, Removal of Building N-121 Plating Shop Dry Well (Revision 0)*, June 11, 1996

Reference: Contract N62467-89-D-0318 (CLEAN II)

Dear Sir:

Please find enclosed one copy of the NSA Memphis *Voluntary Corrective Action Work Plan — SWMU 3, Removal of Building N-121 Plating Shop Dry Well (Revision 0)*. As requested, copies have been distributed to the BRAC Cleanup Team and others on the attached NSA Memphis RFI Distribution List.

As discussed in our telephone conversation today, award of the contract for removal of the dry well is expected to take place by the end of this month, with field work starting in mid-July or early August. *Comments will be needed from all concerned parties by the end of this month in order to revise and redistribute the work plan in time for the field work.* The June 24-26 BRAC Cleanup Team meeting would be an ideal time to review and discuss comments on the work plan.

If you have any questions or comments of a technical nature, please contact me at 901/372-7962. Comments or questions of a contractual nature should be directed to Debra Blagg at 901/386-9344.

Sincerely,

EnSafe/Allen & Hoshall

By: Lawson M. Anderson, CHMM
Task Order Manager

Enclosures: As Stated
